## BAMA DAY

Bama Day in Dothan is an annual event that has provided scholarships to the University of Alabama for over 350 students from Houston and Henry County. This event has helped generate over \$500,000 in scholarship assistance and set aside over \$800,000 in endowments for area students since 1982.

The Houston-Henry Alumni Chapter has funded 13 endowed scholarships to the University and has won various chapter awards from the University.

Please support this event and help your chapter continue a proud tradition in fulfilling its mission to help send quality students to the University of Alabama.

**To make your reservation:**

1) CALL KRIS @ 671-9555
